

At Manchester United greatness is everywhere you look. It's in the inspiring views of the world famous pitch. It lines the walls of the 24 large suites and the 155 more intimate syndicate rooms. It's in the atmosphere. It rubs off on anyone who steps on to this hallowed ground. If you'd like to capture your own piece of greatness for your event or conference, it's easily done. **Let the greatness begin.**

Greatness begins...  
 Within a great city

Manchester was the first and greatest industrial city in the world, at the forefront of the Industrial Revolution. It's had some great moments; splitting the atom was just one of them and it was first done in this city.

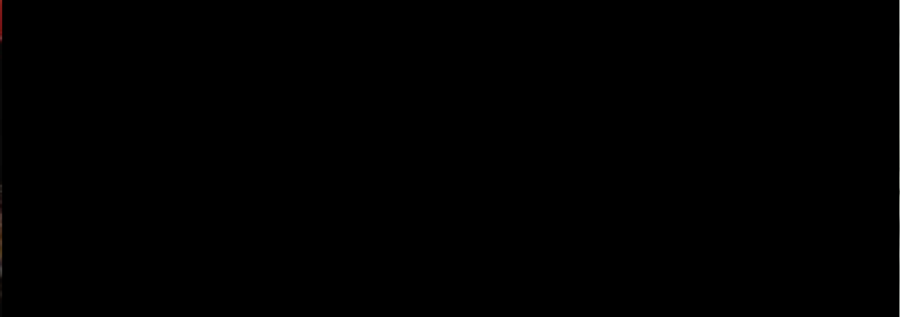

Manchester has never been scared of being 'first' or 'different'. A unique musical heritage adds to its cool status. It's a city that defines its own style credentials and has developed a colourful life force of its own with eclectic bars, iconic restaurants and world-renowned art galleries.

Old Trafford itself is within easy reach on the outskirts of the city. It's easy to get to via Manchester's excellent motorway networks, frequent train services and the airport which is just 20 minutes drive away. The stadium is only two miles from the M60 and major motorway networks and just five minutes drive from Manchester City Centre.

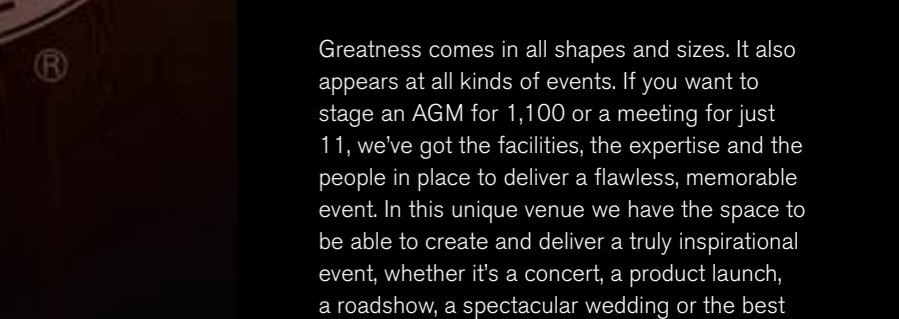

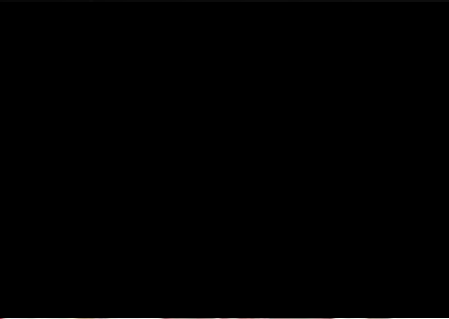

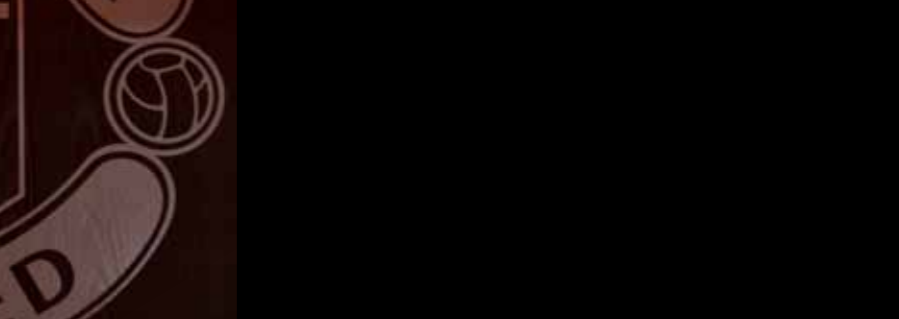

Greatness begins...  
Beyond the pitch

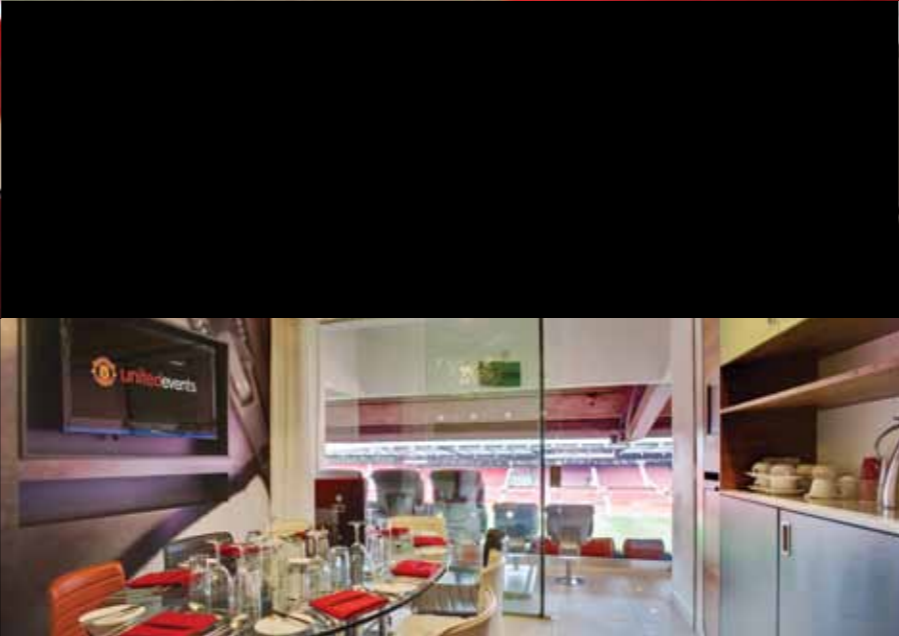

The allure of Old Trafford is a global phenomenon with many travelling thousands of miles to catch a glimpse of the famous venue. Imagine how your people might feel, permitted to experience that greatness close up at an event you've arranged? It's a greatness they can all share in. An intoxicating blend of prestige, 100 years of history and the glamour of this world class brand creates the kind of atmosphere for your event that gets people talking. Our greatness starts on the pitch, but you'll find it in every corner of this iconic venue, from the smallest meeting room to largest suite.

Greatness begins...  
At events of all kinds

Greatness comes in all shapes and sizes. It also appears at all kinds of events. If you want to stage an AGM for 1,100 or a meeting for just 11, we've got the facilities, the expertise and the people in place to deliver a flawless, memorable event. In this unique venue we have the space to be able to create and deliver a truly inspirational event, whether it's a concert, a product launch, a roadshow, a spectacular wedding or the best Christmas party ever.

We've staged prestigious occasions such as The Player of the Year Awards and the UNITED for UNICEF Dinner many times before, so whatever your event, we're here to make greatness happen for you.

Greatness begins...  
In sumptuous suites

Greatness begins...  
In extra touches

Why restrict your guests to a room, when there are so many areas where the greatness of the venue could add shine to their day? Our museum has won awards for its displays and the sight of all the silverware that this great club has won over the years is impressive. It's possible to dress your room with some of these club trophies, which adds undeniable grandeur to your event. You might even like to book some ex-player guest speakers for your event, to share with your delegates how it feels to be a part of a world-class team.

You may also like to treat your guests to an unforgettable dining experience at our famous Red Café with its useful large space, making it ideal for entertaining.

We can discuss other ideas such as a private tour of the stadium. Just ask us if you'd like to add further touches to your event.

Greatness begins...  
With great taste

Our rosette standard chefs create fabulous cuisine whether your event is large or small. We offer a selection of carefully crafted set menus to choose from, or we're happy to work with you to create something individually tailored to your event.

All of our food is ethically-sourced and comes from local farmers and growers wherever possible. So you can feel great about eating it too. A carefully chosen wine list is available to complement the food and there are well-stocked bars in each of our suites.

But along with great food must come great service. Our highly trained staff are experts in the art of serving your guests quickly, professionally and of course, always with a smile.
